

EMERGENCY RESPONSE AND PREPAREDNESS

Date: 18 - 19 March 2020

Time: 09:00 AM

Venue: University of Cyberjaya, Cyberjaya

INTRODUCTION

Emergencies and disasters can occur any time without warning. The more an organisation is prepared for emergency, the better they will be able to act, minimizing panic and confusion when an emergency occurs. The purpose of this training is to help employers develop emergency response plans that will meet the specific needs of their businesses. This program trains ERT members to handle various emergencies by developing Emergency Response Plan (ERP), understanding Emergency Procedure and executing Incident Command System (ICS) during disaster.

DESIGNED FOR

- Fire Team Members,
- Safety and Health Committee Members
- Emergency Response Team Members
- Persons who involved in fire routine procedure
